## EL DORADO COUNTY VETERANS MONUMENT MEMORIAL ORDER FORM

Any veteran of the United States Armed Forces, living or dead, who has lived in El Dorado County (prior to, during or following military service) may be memorialized at the El Dorado County Veterans Monument in Placerville. Veterans related to El Dorado County residents may also be memorialized at the El Dorado County Veterans Monument, regardless of where they resided.

Proceeds from memorial bricks and stones benefit the **El Dorado County Veterans Coalition**, a 501.c[3] public benefit organization that provides scholarships for El Dorado County veterans and their families.

Proceeds from memorial bronze placards and granite benches benefit **Friends of the Veterans Monument**, a 501.c[3] public benefit organization that oversees improvements and ceremonies at the Veterans Monument and that aids El Dorado County veterans and their families.

Purchasing a perpetual memorial brick, granite stone, bronze plaque or granite bench is a wonderful gift that recognizes a veteran's service to our nation. It also provides a place for family and friends to gather.

MEMORIAL ORDER FORM

I understand that **Friends of the Veterans Monument** is the sole organization authorized by the County of El Dorado (County Ordinance #4743) to approve or deny applications to place memorials at the El Dorado County Veterans Monument and will accept all decisions of Friends of the Veterans Monument as final.

I attest that the veteran's information provided on this order form is true and accurate to the best of my knowledge.

I accept that only true and real veterans of the United States Armed Forces may be honored and recognized at the El Dorado County Veterans Monument.

I agree to provide proof of Honorable Discharge from military service on a DD-214 form (copies of which may be obtained from the El Dorado County Veterans Service Officer at (530) 621-5892) with this application for any veteran to be honored at the County Veterans Monument, and agree that should said information ever be found to be untrue that Friends of the Veterans Monument has the authority to remove the memorial from the County Veterans Monument.

I understand that I will be emailed or provided a proof of the ordered brick/memorial before it is engraved and agree that the memorial will not be made until after I have returned a signed proof attesting that the information on the proof is accurate and spelled correctly.

I accept that Friends of the Veterans Monument is not obligated to correct errors on proof-approved finished memorials and agree to purchase an entirely new memorial should I want errors on a proof-approved finished memorial corrected.
